

How to Set Up Your VPS on DatabaseMart

1 Go to databasemart.com

This is the website where you will purchase your VPS.

2 Click on Pricing in the menu

This will show you the available VPS hosting options.

The screenshot shows the Database Mart website in a web browser. The browser's address bar displays 'databasemart.com'. A purple banner at the top of the website reads 'Introducing Our New GPU VPS Lineup — RTX Pro 6000/5000/4000/2000 | Up to 96GB VRAM | \$89.10/Mo'. Below the banner is a navigation menu with links for 'Pricing', 'AI', 'Solutions', 'Resources', 'Company', and 'Contact Us', along with a 'Log In / Sign Up' button. The main content area features five service cards: 'GPU Server' (Stream, Emulator, AI, LLMs, Gaming), 'GPU VPS' (VPS with Dedicated GPU for LLMs, ...), 'VPS Hosting' (Windows, Linux, Web, Forex), 'Dedicated Server' (Cheap, SSD, NVMe, Secure, 1GB), and 'LLM Hosting' (Multi GPU for LLM inference Self...). Below these cards, a text block states: 'Our End-to-End IaaS Services provide a seamless cloud computing experience, simplifying infrastructure management so businesses can focus on their core activities without the hassle of server management, security, or scalability. We offer competitive VPS, Dedicated, and GPU Servers for small businesses. Whether managing intellectual property, running an online store, or exploring AI, our scalable cloud resources provide a stable and reliable environment.' A 'Get Started' button is positioned below this text. To the right, there is a 3D isometric illustration of server racks and network components, with labels for 'Remote Backup', 'Switch', 'Bare', and 'USA Internet'. A support chat bubble on the right says 'Our support team is always here for you. Don't hesitate to reach out with any questions!'. The footer includes '410K+' on the left, a sharing notification 'kommodo.ai is sharing your screen.' with 'Stop sharing' and 'Hide' buttons in the center, and '24/7' on the right. The browser's taskbar on the left shows various application icons and the system clock at 11:49 AM.

3 Select VPS Hosting Windows

Choose the Windows VPS hosting option.

The screenshot shows the Database Mart website in a web browser. The browser has three tabs: 'Kommodo Pricing - Starter &...', 'Kommodo - The AI Screen...', and 'Secure and Affordable USA Ser...'. The address bar shows 'databasemart.com'. A purple banner at the top reads 'Introducing Our New GPU VPS Lineup — RTX Pro 6000/5000/4000/2000 | Up to 96GB VRAM | \$89.10/Mo'. The navigation bar includes links for Pricing, AI, Solutions, Resources, Company, and Contact Us, along with a 'Log In / Sign Up' button. The main content area features five service cards: 'GPU Server' (Stream, Emulator, AI, LLMs, Gaming), 'GPU VPS' (VPS with Dedicated GPU for LLMs, ...), 'VPS Hosting' (Windows, Linux, Web, Forex), 'Dedicated Server' (Cheap, SSD, NVMe, Secure, 1GB), and 'LLM Hosting' (Multi GPU for LLM inference Self...). The 'VPS Hosting' card is highlighted with a mouse cursor. Below the cards, text states: 'Our End-to-End IaaS Services provide a seamless cloud computing experience, simplifying infrastructure management so businesses can focus on their core activities without the hassle of server management, security, or scalability. We offer competitive VPS, Dedicated, and GPU Servers for small businesses. Whether managing intellectual property, running an online store, or exploring AI, our scalable cloud resources provide a stable and reliable environment.' A 'Get Started' button is present. To the right, there is a 3D illustration of server racks and a chat bubble that says 'Our support team is always here for you. Don't hesitate to reach out with any questions!'. At the bottom, there are statistics: '410K+', a notification 'kommodo.ai is sharing your screen.' with 'Stop sharing' and 'Hide' buttons, and '24/7'.

4 Scroll down and select the Express plan

Pick the Express plan for your VPS.

The screenshot displays the Kommodo VPS hosting pricing page. The browser address bar shows 'databasemart.com/vps-hosting'. The page features four VPS plans, each with a 'Hot Sale' badge and a 'Long-Term Savings' badge. The plans are:

- Express Windows Server VPS**: \$5.60/mo (save 44% Was \$9.99). Specifications: 4GB RAM, 2 CPU Cores, 60GB SSD Disk Space, 100Mbps Unmetered Bandwidth. Includes: Once per 4 Weeks Backup, 1 Dedicated IP, Windows Server 2025/2022/2019/2016, No Setup Fee.
- Express Plus Windows Server VPS**: \$10.99/mo. Specifications: 6GB RAM, 3 CPU Cores, 100GB SSD Disk Space, 100Mbps Unmetered Bandwidth. Includes: Once per 4 Weeks Backup, 1 Dedicated IP, Windows Server 2025/2022/2019/2016, No Setup Fee.
- Basic Windows Server VPS**: \$10.50/mo (save 45% Was \$18.99). Specifications: 8GB RAM, 4 CPU Cores, 140GB SSD Disk Space, 200Mbps Unmetered Bandwidth. Includes: Once per 4 Weeks Backup, 1 Dedicated IP, Windows Server 2025/2022/2019/2016, No Setup Fee.
- Basic Plus Windows Server VPS**: \$19.99/mo. Specifications: 12GB RAM, 6 CPU Cores, 180GB SSD Disk Space, 200Mbps Unr. Includes: Once per 4 Weeks Backup, 1 Dedicated IP, Windows Server 2025/2022/2019/2016, No Setup Fee.

Each plan has a '1mo | 3mo | 12mo | 24mo' selector and an 'Order Now' button. A support chat bubble is visible on the right side of the page.

5 Choose Monthly as the billing cycle

Set your payment to monthly.

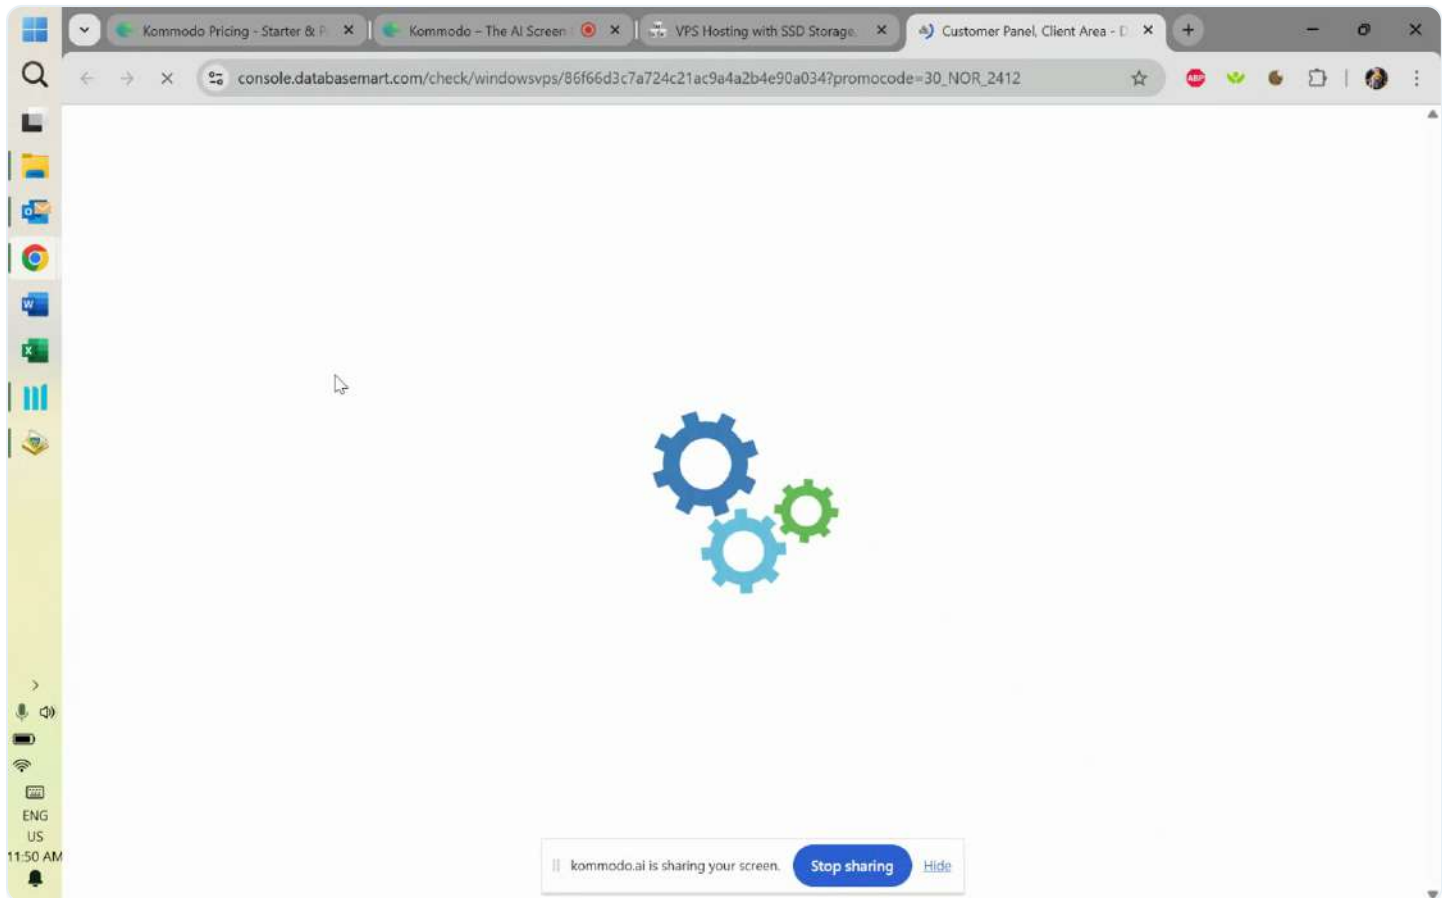

The screenshot shows the 'VPS Hosting with SSD Storage' page on the Kommodo website. The 'Windows VPS' tab is selected. Four VPS plans are displayed, each with a 'Hot Sale' badge and a 'Long-Term Savings' badge at the bottom. The plans are:

- Express Windows Server VPS**: \$6.99/mo (save 30% from \$9.99). Specs: 4GB RAM, 2 CPU Cores, 60GB SSD Disk Space, 100Mbps Unmetered Bandwidth. Billing cycle: 1mo, 3mo, 12mo, 24mo (24mo is selected).
- Express Plus Windows Server VPS**: \$10.99/mo. Specs: 6GB RAM, 3 CPU Cores, 100GB SSD Disk Space, 100Mbps Unmetered Bandwidth. Billing cycle: 1mo, 3mo, 12mo, 24mo (24mo is selected).
- Basic Windows Server VPS**: \$10.50/mo (save 45% from \$18.99). Specs: 8GB RAM, 4 CPU Cores, 140GB SSD Disk Space, 200Mbps Unmetered Bandwidth. Billing cycle: 1mo, 3mo, 12mo, 24mo (24mo is selected).
- Basic Plus Windows Server VPS**: \$19.99/mo. Specs: 12GB RAM, 6 CPU Cores, 180GB SSD Disk Space, 200Mbps Unmetered Bandwidth. Billing cycle: 1mo, 3mo, 12mo, 24mo (24mo is selected).

Each plan includes an 'Order Now' button. A support chat bubble is visible on the right side of the page. A notification at the bottom indicates that 'kommodo.ai is sharing your screen'.

6 Click Order Now

Proceed to order your selected VPS plan.

7 Select Windows 2025 Standard Edition

Choose the Windows 2025 Standard Edition operating system for your VPS.

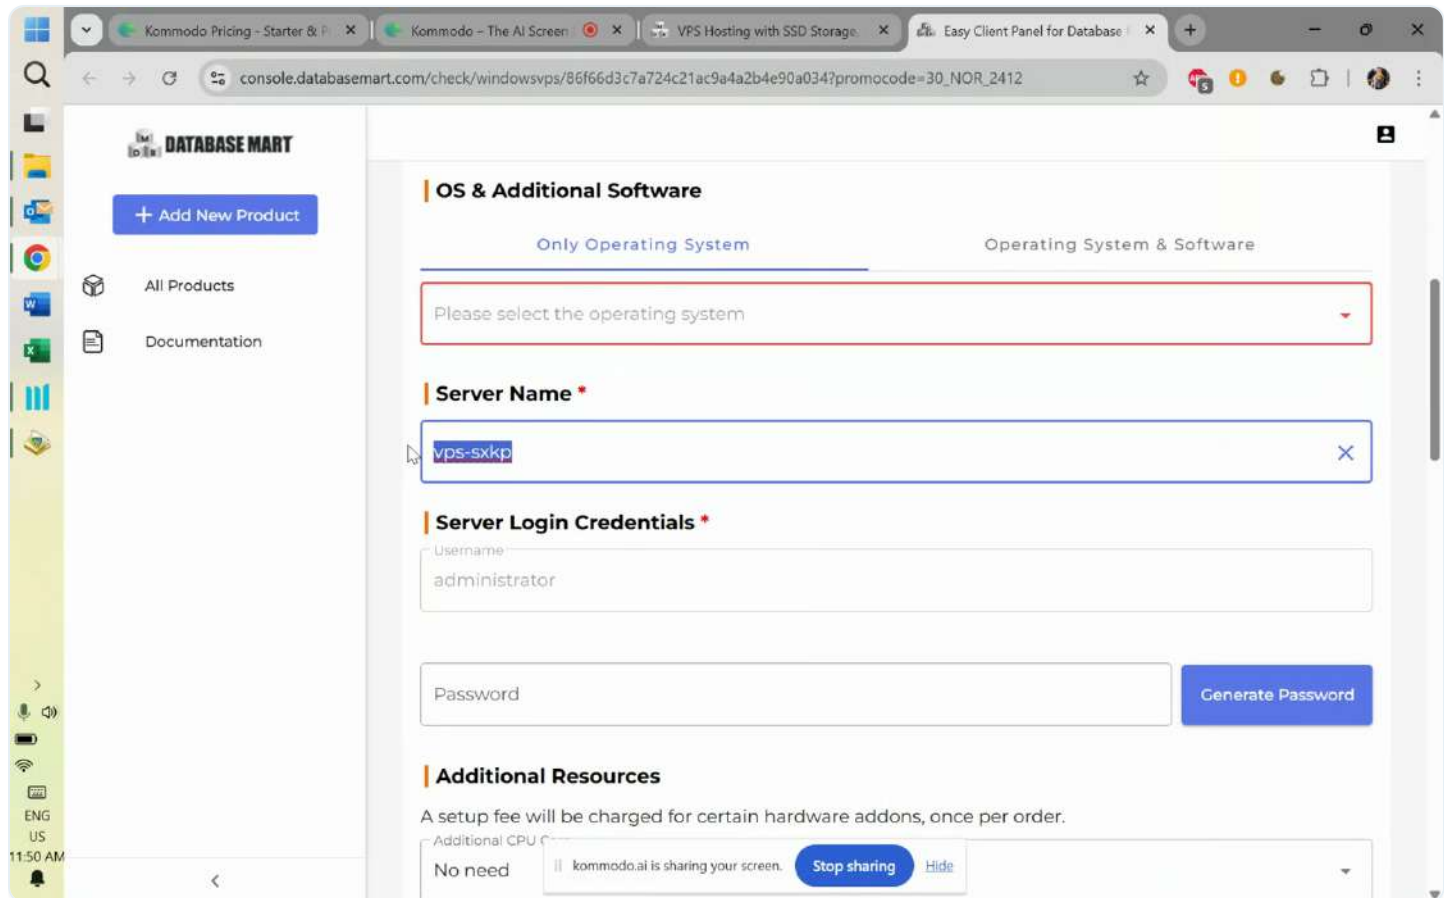

The screenshot shows a web browser window with the URL `console.databasemart.com/check/windowsvps/86f66d3c7a724c21ac9a4a2b4e90a034?promocode=30_NOR_2412`. The page is titled "DATABASE MART" and features a sidebar with "All Products" and "Documentation" links. The main content area displays the configuration for a Windows VPS. The "OS & Additional Software" section is active, showing a dropdown menu with the following options:

- Windows Server 2025 Standard Edition x64 (selected)
- Windows Server 2022 Standard Edition x64
- Windows Server 2019 Standard Edition x64
- Windows Server 2016 Standard Edition x64

Below the dropdown, the "Server Login Credentials" section shows the username "administrator". The "Bandwidth" is set to "100Mbps Unmetered", "IP" is "1 Dedicated IPv4", "Location" is "USA", and "Backup" is "Once per 4 Weeks". A "Create Server" button is visible at the bottom right. A notification at the bottom states "kommodo.ai is sharing your screen." with "Stop sharing" and "Hide" buttons.

8 Enter your server name

Provide a name for your server.

The screenshot shows a web browser window with the URL `console.databasemart.com/check/windowsvps/86f66d3c7a724c21ac9a4a2b4e90a034?promocode=30_NOR_2412`. The page is titled "OS & Additional Software" and has two tabs: "Only Operating System" (selected) and "Operating System & Software".

On the left sidebar, there is a "DATABASE MART" logo, a "+ Add New Product" button, and links for "All Products" and "Documentation".

The main content area includes the following fields:

- A dropdown menu for "Please select the operating system" with a red border.
- A "Server Name *" field containing the text "vps-sxkp" with a red border.
- A "Server Login Credentials *" section with a "Username" field containing "administrator" and a "Password" field.
- A "Generate Password" button next to the password field.
- An "Additional Resources" section with a note: "A setup fee will be charged for certain hardware addons, once per order." and a dropdown menu for "Additional CPU" currently set to "No need".

A notification at the bottom states: "kommodo.ai is sharing your screen. Stop sharing Hide".

9 Choose a password

Set a password for your VPS.

The screenshot shows a web browser window with the URL `console.databasemart.com/check/windowsvps/86f66d3c7a724c21ac9a4a2b4e90a034?promocode=30_NOR_2412`. The page is titled "OS & Additional Software" and has two tabs: "Only Operating System" (selected) and "Operating System & Software".

On the left sidebar, there is a "DATABASE MART" logo, a "+ Add New Product" button, and links for "All Products" and "Documentation".

The main content area contains the following sections:

- OS & Additional Software**
 - Under the "Only Operating System" tab, there is a dropdown menu with the text "Please select the operating system".
- Server Name ***
 - A text input field containing "vps-sxkp".
- Server Login Credentials ***
 - A "Username" field containing "administrator".
 - A "Password" field with the placeholder text "Create a login password for your server".
 - A blue "Generate Password" button.
- Additional Resources**
 - A note: "A setup fee will be charged for certain hardware addons, once per order."
 - An "Additional CPU" section with a dropdown menu showing "No need".
 - A notification bar at the bottom: "kommodo.ai is sharing your screen." with "Stop sharing" and "Hide" buttons.

10 Leave the billing cycle as monthly

Keep the billing cycle set to monthly.

The screenshot shows the Database Mart console interface. On the left is a sidebar with the 'DATABASE MART' logo, an 'Add New Product' button, and links to 'All Products' and 'Documentation'. The main content area has a 'Create a login password for your server' field with a 'Generate Password' button. Below this is the 'Additional Resources' section, which includes a note about setup fees and three dropdown menus for 'Additional CPU Core', 'Additional Memory', and 'Additional Disk', all set to 'No need'. An 'Expand More' link is visible. The 'Billing Cycle' section displays four options: 'Monthly' (selected), 'Quarterly', 'Annually', and 'Biennially'. Each option shows a price per month and a '\$0.00 Setup Fee'. The 'Monthly' option is highlighted with a blue dot. The 'Quarterly', 'Annually', and 'Biennially' options have orange 'Save 5%', 'Save 10%', and 'Save 20%' labels respectively. At the bottom, a coupon code '30_NOR_2412' is applied, resulting in a 'Price After Discount Code' of '\$6.99 /month'. A 'Stop sharing' button is also present.

Billing Cycle	Price /month	Setup Fee	Savings
Monthly	\$9.99	\$0.00	
Quarterly	\$9.49	\$0.00	Save 5%
Annually	\$8.99	\$0.00	Save 10%
Biennially	\$7.99	\$0.00	Save 20%

Coupon Code Applied: 30_NOR_2412 Price After Discount Code: \$6.99 /month

11 Click Checkout and Pay

Complete your purchase.

The screenshot shows a web browser window with the URL `console.databasemart.com/check/windowsvps/86f66d3c7a724c21ac9a4a2b4e90a034?promocode=30_NOR_2412`. The page is titled "DATABASE MART" and features a sidebar with navigation links: "+ Add New Product", "All Products", and "Documentation". The main content area displays a checkout summary:

Billing Cycle	Monthly
Sub Total	\$9.99
Plan Exclusive Discount	\$0.00
Plan Setup Fee	\$0.00
Coupon Discount	\$3.00 30% off Recurring Discount
Total Due Today	\$6.99
Total Recurring: \$6.99	
Notes	

Below the summary is a blue button labeled "Check Out". A red message states: "You will need to log in to our control panel to complete orders." At the bottom, a blue section titled "Service Assurance:" lists several benefits with checkmarks:

- ✓ 99.9% Uptime
- ✓ Deploy in 10 Minutes
- ✓ Management
- ✓ RDP/SSH Access
- ✓ 24/7 Human Support

A notification bar at the bottom indicates "kommodo.ai is sharing your screen." with buttons for "Stop sharing" and "Hide".

12 Wait to receive the email with instructions

You will get an email with setup instructions after payment.

The screenshot shows a web browser window with the URL `console.databasemart.com/check/windowsvps/86f66d3c7a724c21ac9a4a2b4e90a034?promocode=30_NOR_2412`. The page is titled "DATABASE MART" and features a sidebar with navigation links: "Add New Product", "All Products", and "Documentation". The main content area displays a checkout summary:

Billing Cycle	Monthly
Sub Total	\$9.99
Plan Exclusive Discount	\$0.00
Plan Setup Fee	\$0.00
Coupon Discount	\$3.00 30% off Recurring Discount
Total Due Today	\$6.99
Total Recurring: \$6.99	
Notes	

A "Check Out" button is located below the summary. A red message states: "You will need to log in to our control panel to complete orders." Below this, a blue section titled "Service Assurance:" lists the following benefits:

- ✓ 99.9% Uptime
- ✓ Deploy in 10 Minutes
- ✓ Management
- ✓ RDP/SSH Access
- ✓ 24/7 Human Support

A notification bar at the bottom indicates "kommodo.ai is sharing your screen." with "Stop sharing" and "Hide" buttons.

13 Follow the instructions in the email to continue setting up your virtual private server

The email will guide you through the rest of the setup process.
